Corrigendum to: Expression and function of IL-1R8 (TIR8/SIGIRR); a regulatory member of the IL-1 receptor family in platelets [Cardiovasc Res 2016; 111 (4): 373-384]

The authors of the above paper wish to inform readers that in Figure 7 the color code for the identification of healthy donors and patients in representative flow cytometry histograms in panel A and G was erroneously exchanged, whereas the figure legend was correct. Please find the correct figure 7 as follows:

The title has also been amended to replace a colon with a comma as follows:

Expression and function of IL-1R8 (TIR8/SIGIRR), a regulatory member of the IL-1 receptor family in platelets

The paper has now been corrected online.
